During the eight year program one session can be a family portrait and kid's club pricing will also apply to this special session. Call for details, The Wonder Years baby album is a great gift idea from Grandparents, Godparents or an Aunt or Uncle for the new child. This program is a spinoff of a baby program from the 1960's called the Family Record Program. Back then you received 10 sessions and 10 - custom color 4x5 portraits and the program sold for nearly \$500.00 by door to door sales people. This is a great deal at \$299.00 but even better at \$150.00 – It makes a perfect Gift for a young mom or family expecting a new child soon.
